### LEGISLATIVE COUNSEL'S DIGEST

AB 644, as amended, ~~Wildman~~ Committee on *Budget. California State University Budget Act of 1999: budget augmentation and reappropriation.*

Existing law, as set forth in the Budget Act of 1999, makes various appropriations for support of state government for the 1999–2000 fiscal year.

In augmentation of the Budget Act of 1999, this bill would appropriate \$250,000 from the General Fund to the Trade and Commerce Agency for the California Institute for Federal Policy Research; would appropriate \$650,000 from the General Fund to the Department of Parks and Recreation for local assistance, with \$400,000 to the Plaza Community Center organization, \$200,000 to the City of Yucaipa, and \$50,000 to the City of Calimesa; would appropriate \$50,000 from the General Fund to the Employment Development Department for local assistance to the City of Vallejo; and would appropriate \$2,500,000 from the General Fund for support of the University of California for Internet2 projects and \$1,000,000 from the General Fund to the University of California for the CalWORKs program evaluation.

The bill would reappropriate funds appropriated to the Department of Parks and Recreation for local assistance recreational grants to specified entities for specific projects to different entities for the same projects, and would reappropriate funds for two specified projects in the City of El Monte.

The bill would authorize the use of up to 5% of specified funds appropriated in the Budget Act of 1999 for delta levee maintenance to be used for road repair and maintenance. The bill would add provisions concerning the use of Oceano Dunes State Recreation Area lands purchased with funds appropriated in the Budget Act of 1999. The bill would exempt from the Administrative Procedures Act grants and projects funded with specified moneys from the Off-Highway Vehicle Trust Fund. The bill would also add provisions requiring the Department of Corrections to reimburse a city or county for specified costs from specified items of the annual Budget Act.

The bill would also appropriate \$2,000,000 from the General Fund for support of the Department of Industrial Relations and would reduce the appropriation and the amount payable from the Uninsured Employers Account in the Uninsured Employers Fund by \$2,000,000. The bill would specify the

~~Existing law establishes the California State University under the administration of the Trustees of the California State University. Existing law, known as the Budget Act of 1999, appropriates money from the General Fund for support of the California State University.~~

~~This bill would augment that amount by appropriating \$889,000 from the General Fund to the Trustees of the California State University for purposes of equity adjustments for Unit 6 Skilled Trades in order to correct salary lags.~~
